**PRIMARY EXAMINER**

1. Claims 1-24 are allowed.

2. The following is an Examiner's Statement of Reasons for Allowance:

a) The prior art of record teaches the claimed invention substantially, but it fails to teach or suggest singly or in combination a method comprising: accessing design data including an electronic image of an integrated circuit to be tested, determining whether a pin of the integrated circuit has been assigned to a port in a multi-port automated test environment, enabling a displayable pin indicator, and displaying the electronic and the displayable pin indicator as set forth in independent claim 1.

b). The prior art of record fails to teach or suggest singly or in combination a method comprising: accessing design data including an electronic image of an integrated circuit to be tested, determining whether a pin of the integrated circuit has been assigned to a port in a multi-port automated test environment; indicating with a displayable indicator the result of the determining step, and assigning a pin to a port as a result of the determining and indicating steps as desired as set forth in independent claims 17.

c). Furthermore, the prior art of record also fails to teach or suggest singly or in combination a system and a computer readable medium comprising steps of: accessing design data including an electronic image of an integrated circuit to be tested, determining whether a pin of the integrated circuit has been assigned to a port as

desired, and assigning such pin to a port if not assigned as desired as set forth in independent claims 23 and 24.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

4. The prior art of record and not relied upon is considered pertinent to applicant's disclosure.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Ton whose telephone number is (571) 272-3828. The examiner can normally be reached on M-Th from 5:30 - 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Albert DeCady can be reached on (571) 272-3819. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
